Ramzi Bougdar

AI Application Developer I PrestaShop & Shopify
E-commerce Expert I Full Stack

ramzibougdar@gmail.com +33 6 67 78 35 81

About

Who I am

I connect two worlds: AI and e-commerce. A full stack developer, I build AI agents, automations and internal tools, and I integrate AI into stores on PrestaShop, Shopify and other platforms, for B2C and B2B alike.

My specialty
AI × e-commerce
AI integrated into online stores

End to end
Analysis · Estimation · Specifications · Development · Validation · Deployment

10
years of experience

Automation
From repetitive tasks to workflows
